5" H2O Stainless Steel Wt. Carrier for Ametek PK & PKII Testers

***Up-grade from a 4"H2O aluminum wt. carrier
to a 5"H2O Stainless Steel wt. carrier - now !***

S/S Weight Carrier

- *Eliminates the need to use a 1"H2O wt. on all test points.*
- *Makes calibration faster & easier.*
- *Extra resilient & resistant to egging.*

***Ask for it on your next certification, or
right now, on any tester Certified by
JM Test Systems within the last year.***
