

IMPORTANT!

Take advantage of our “Early Bird Off Rent” option!

Rental Equipment Return Instructions

Please contact JM Test via email to rentalreturn@jmtest.com and let us know that you are returning your equipment. We will stop your rental at that time **and give you five (5) days to return the equipment.** This will save money by avoiding overnight shipping expenses.

What to do:

Step 1 – Pack equipment back in the box it came in.

Step 2 – Email JM at rentalreturn@jmtest.com to let us know you are returning equipment. You will have five (5) days to return the equipment.

Step 3 – Ship via your carrier to the address below.

Return address: JM Test Systems
7323 Tom Drive
Baton Rouge, LA 70806
Attn: Rental Returns
800-353-3411

“Taking equipment off rent” when finished with your project will:

- save you money in extra rental days
- save additional shipping cost
